The TA Consultant Program at UVic positions TA mentors (known as “TA Consultants” or “TACs”) in several departments throughout campus. The TACs develop discipline-specific seminars designed for TAs in the departments they are responsible for, taught in the fall or over the academic year, that cover a range of practical topics, tips, approaches and issues most pertinent to TAs at UVic and complemented by supporting materials. Below is the list of departments that have a TAC. Please feel free to contact the department for the TAC’s contact information.
